

**REMARKS**

Reconsideration of the present application as amended is respectfully requested. Claims 1, 4-5, and 8-9 are currently pending.

Claims 1, 4-5, and 8-9 have been indicated in the Office Action as allowed. Applicant wishes to thank the Examiner for the allowance of claims 1, 4-5, and 8-9.

The Office Action has indicated that the application is in condition for allowance except for formal matters. The drawings stand objected to for not labeling all elements in the Figures. In response, Applicant has amended Figures 1B and 2. More specifically, Figure 1B has been amended to include reference numeral 40. Reference numeral 40 relates to the top layer above reference numerals 12 and 50 in Figure 1B. In addition, Figure 2 has been amended to include reference numeral 42. Reference numeral 42 relates to the right layer above reference numerals 10 and 52 in Figure 2. Amendments to Figures 1B and 2 are indicated on the attached replacement drawing sheet. Applicant respectfully submits that no new matter has been added.

The specification stands objected to due to various informalities. In response, Applicant has amended the specification according to the Examiner's suggestions. In addition, claim 1 stands objected to due to an informality. In response, Applicant has amended claim 1 as suggested by the Examiner.

In view of the above amendments and remarks, Applicant believes the pending application is in condition for allowance. A Notice to that effect is respectfully requested.
